## ALERT

### Organizational Goals

1. Augment PSAP's staffing in times of need planned or unplanned events
2. Provide professional communications and technical assistance
3. Plan and train for any event where PSAPs could require assistance
4. Always maintain a productive working relationship with the agencies we support

### Mission:

To provide a network of public safety telecommunicators, associated personnel and equipment in support of emergency communications centers and/or public safety answering points before, during, and after man-made or natural disasters or operations support when deemed appropriate by Alabama TERT.
